SEVEN DOCTRINES OF SALVATION

(Compiled by Ernest Thomas from notes of James V. Clark – 15 June 2000)

Through the precious work of Jesus Christ, God reconciled (Romans 5:10-11, Colossians 1:20 & II Corinthians 5:18-20) to Himself all saints (New Testament believers). There are seven very important aspects or doctrines of God's reconciliation of man to God. Each of these shows the completeness of a saint's salvation.

1. REDEMPTION:

Romans 3:24
Ephesians 1:7

Jesus purchased (with His Blood) believers from being slaves of sin.

2. EXPIATION:

Colossians 2:14

By reparation or payment for a crime or sin, the crime or sin is cancelled or removed.

3. REGENERATION:

John 3:3

Believers are born again with everlasting life into God's Family.

4. PROPITIATION:

Romans 3:25
I John 2:2

Mercy Seat – Jesus provided to The Father a satisfactory sacrifice in behalf of the believers.

5. IMPUTATION:

Romans 3:22
Romans 4:3-6
Romans 4:8-11
Romans 4:22-24
II Corinthians 5:21

Jesus' righteousness is credited to the accounts of the believers. Thus, even when a saint acts unrighteous, he or she is STILL considered righteous before God.

6. POSITION IN CHRIST:

I John 5:11-12
Philippians 3:9

The Holy Spirit permanently places (invisibly and spiritually) believers into Christ Jesus.

7. JUSTIFICATION:

Romans 3:24
Romans 5:1

God's declaration that a believer has been made right and is now acceptable before God.
